

A Special Announcement About ERfC Before & After School Centers

November 10, 2020

Dear Parents and Guardians,

This year certainly continues to challenge every one of us! I know you and your family are working hard to adjust to the current hybrid school and remote schedule. Even as things change, ERfC is working to keep kids safe and supported with academic, enrichment, social, and recreational opportunities Before & After School. We also know how important this service is for our working parents.

Enfield Office Suites
174 South Rd., Suite 200
Enfield, CT 06082

Phone: 860-253-9935
Fax: 1-860-215-8113

Web: www.ercinc.org
Email: info@erc.us

All Students are invited to attend Before & After School at the *new* ERfC Distance Learning Center.

ERfC Centers will *temporarily* close all Before & After School Centers located in the Enfield Public Schools (EPS) until schools return to full in-person learning. Attendance has been very low at each school and only limited to the hybrid days. Keeping the Centers open at this time is no longer feasible. The last day for the Before & After School Centers to operate in the schools will be Friday, November 13. However, we also have some good news for you!

Beginning Monday, November 16, all students enrolled in ERfC Centers will be bused to the new **ERfC Distance Learning Center (DLC) after school**. The DLC is located at the Enfield Annex, 124 North Maple Street, Lower Level, Door #6, at the Moody Road entrance.

On hybrid days, students enrolled in Before School will be dropped off by parents to the DLC and bused to their school in time to begin the school day. Students enrolled in After School will be bused to the DLC at the end of the school day. There are no new costs for you! This special temporary arrangement is possible because of our partnership with EPS, the Town of Enfield, and Smyth Busing.

See the attached flyer to learn more about opportunities at the DLC.

All parents who want to participate in Before & After School at the DLC, must let the ERfC Registrar know of your decision. You can email her at mohara@erc.us or call **860-253-9935**. Marie is in the office from 10:00 AM – 6:30 PM, Monday through Friday.

Thank you for choosing ERfC!

Sincerely,

Claire C. Hall, M.Ed.
ERfC Executive Director
