We will follow the EPS Hybrid Model with children in school for two days and virtual for three days each week.

**1** Find the number of people in your household. Follow the column down until you find the FIRST amount that is GREATER than your current household gross income.

**2** Then follow that line across to the Daily Rate. Select the 2-day In-school option.

\* 10% Family Discount for multiple

\*21st Century (CCLC) federal funds are available for all elementary centers but are limited. Program fees for CCLC funded programs are recommended and not a requirement of enrollment/continued service. No student will be excluded from the program regardless of ability to pay. Families requesting enrollment in CCLC funded programs are not required to provide verification of financial status and are able to self-report their income.
